LIFT YOUR CORNS

OFF WITH FINGERS

Tells how to loosen a tender corn or callus so it lifts out without pain.

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezone, which the moment a few drops are applied to any corn or callus the soreness is relieved and soon the entire corn or callus, root and all, lifts off with the fingers.

Freezone dries the moment it is applied, and simply shrivels the corn or callus without inflaming or even irritating the surrounding tissue or skin. A small bottle of freezone will cost very little at any of the drug stores, but will positively rid one's feet of every hard or soft corn or hardened callus. If your druggist hasn't any freezone he can get it at any wholesale drug house for you.

A NECESSITY

Mrs. Collier Says Could Not Keep House Without Black-Draught.

Hardin, Mo.—Mrs. J. W. Collier, of this town, who knows from experience of the merit of Black-Draught Liver Medicine, has following to say for publication: "I want to let everybody know that I have used Theodor's Black-Draught for many years, and it is just what is claimed for it. I am never without Black-Draught, and really I couldn't keep house without it. Whenever I feel bad, I take a small dose, and feel better right away."

I advise everybody who suffers from liver or stomach trouble to use Black-Draught Liver Medicine."

For three-quarters of a century (75 years), Theodor's Black-Draught has been regulating irregularities of the liver, stomach and bowels, and has long been recognized as the standard remedy. It is a fixture in thousands of homes as the main stay of the family medicine chest.

If you have not tried it, get a package from your nearest dealer, today. He sells it in 25c and \$1.00 packages, making it cost you only one cent a dose. NCB

Spring Colds Are the Worst

They lead to catarrh and pneumonia. They weaken the entire system and leave it unable to resist the sudden changes. They interfere with your digestion and lessen your activity. Neglected they soon become that dread disease known as systemic catarrh. Don't neglect them. It's costly as well as dangerous.

PERUNA Will Safeguard You

Have a box of Peruna Tablets with you for the sudden cold or exposure. Tone your system up with a regular course of the liquid Peruna, fortify it against colds, get your digestion up to normal, take care of yourself, and avoid danger. If you are suffering now begin the treatment at once. Give Nature the help she needs to throw off the catarrhal inflammation, and again become well.

Peruna has been helping people for 44 years. Thousands of homes rely on it for coughs, cold and indigestion. It's a good tonic for the weak, as well.

Too Many Operations

The Right Medicine in Many Cases Does Better than the Surgeon's Knife. Tribute to Lydia E. Pinkham's Vegetable Compound.

Doctor Said Operation or Death—But Medicine Cured.

Des Moines, Iowa.—"My husband says I would have been in my grave today had it not been for Lydia E. Pinkham's Vegetable Compound. I suffered from a serious female trouble and the doctors said I could not live one year without an operation. My husband objected to the operation and had me try Lydia E. Pinkham's Vegetable Compound. I soon commenced to get better and am now well and able to do my own housework. I can recommend Lydia E. Pinkham's Vegetable Compound to any woman as a wonderful health restorer."—Mrs. BLANCHIE JEFFERSON, 703 Lyon St., Des Moines, Iowa.

Another Operation Avoided.

Richmond, Ind.—"For two years I was so sick and weak from female troubles that when going up stairs I had to go very slowly with my hands on the steps, then sit down at the top to rest. The doctor said he thought I should have an operation, and my friends thought I would not live to move into our new house. My daughter asked me to try Lydia E. Pinkham's Vegetable Compound as she had taken it with good results. I did so, my weakness disappeared, I gained in strength, moved into our new home, do all kinds of garden work, and raised hundreds of chickens and ducks. I cannot say enough in praise of Lydia E. Pinkham's Vegetable Compound."—Mrs. M. O. JOHNSON, Route D, Box 190, Richmond, Ind.

Of course there are many serious cases that only a surgical operation will relieve. We freely acknowledge this, but the above letters, and many others like them, amply prove that many operations are recommended when medicine in many cases is all that is needed.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
